

THE QUARTERS ASSOCIATION, INC.
Go team quarters - NEWS LETTER

January-April 2016

We are working on a new work order system and hope to have it in place by the middle of February. We will be sending out a letter when the system is ready. Meanwhile continue to call the office phone (803-400-3528) and leave a message with unit number and your phone number.

The traffic on our web site has been increasing and rental requests are still coming in so let us know if your unit is for rent and we will refer requests to you.

We have some pretty good vendors that have been added to our vendor list for those in need of some work done to the unit.

The painting of the buildings has been all but completed from the roofline down and most if not all balconies have been repaired. Hopefully we will begin the re-roofing program this coming summer as the weather begins warming up.

Our new Communications Director, Denise Driggers is having a good bit of success with the Neighborhood Watch Program, with the assistance of Richland County Deputy David Farr. Richland County Sheriff's Department drives through the property regularly during the night.

Web traffic has picked up dramatically over the past year, indicating more interest as the Quarters improves. Recent sales and prices have also increased quite a bit this past year.

Winter is almost over and we look forward to a great summer.
